

THE HIGH SCHOOL-COLLEGE CONNECTION

ACTIVITIES

FACES OF JESUS

An art exhibit created by our Campus Minister Associate, it consists of a collection of different portrayals of Jesus, including Jesus as seen on TV, in traditional paintings, and on toast.

HOPE BLANKETS

A service project where students will create blankets that will be given to members of the church in need of comfort.

CHRIST CLIPS

Spiritual messages in secular films—this activity is based directly on one of our own programs that we hold weekly. Watch a mainstream film and discuss how it relates to God and faith.

ASK THE STUDENTS

This is an informal time where college students share their faith journey and experiences as they transitioned to college. We will break into small groups and have personal conversations with youth.

IDEAS?

If you have any ideas for us, feel free to share them! We'd be happy to do any (feasible) thing with the youth!
